

## **B I O G R A P H Y**

**Fred E. Cohn**  
**Deputy City Manager**  
**City of Monterey**

Fred E. Cohn has been with the City of Monterey since December 1984 and currently serves as Deputy City Manager. Recently, Fred has been working on a number of business process transformation initiatives with the city; creation of a regional high-capacity communications network linking together public agencies, schools, higher education, and research organizations; and the start up of a community non-profit to manage public, education, and government access to the local cable system. Fred has a bachelor's degree from the University of California at Irvine, and an MBA from Golden Gate University
