

Rick Moran
Vice President, Solutions Marketing
Unified Communications and Emerging Markets

Rick Moran is the Cisco Vice President responsible for solutions marketing of several leading Cisco communications applications. Rick handles the Cisco Unified Communications Portfolio, Cisco IPICS, Cisco Small Business Systems (Linksys One), TelePresence, Business Video and Physical security.

Rick brings more than 25 years' experience in the telecommunications industry.

During his career, Rick worked at Nortel Networks for more than 21 years, holding a wide variety of senior roles. He has been responsible for marketing and selling the voice and data products from Nortel in many locations around the world. Rick also worked for two private companies, focused on high speed MPLS switching and next generation IP network signaling for service provider networks. Rick has a strong global view of the communications industry and how Cisco is changing the way people and companies communicate. Rick has a BA in Economic and Politics from University of Guelph in Canada.
