## Speaker Biography

**Doug Gourlay**  
**Senior Director, Data Center Solutions Group**  
Cisco Systems  
415-269-3684  
[dgourlay@cisco.com](mailto:dgourlay@cisco.com)

Doug Gourlay has been a leader in the creation of Cisco development, investment, and architectural strategies combining emerging technologies with core infrastructure. As Senior Director for Data Center Solutions, Gourlay defines and executes Cisco's global marketing strategy for data center products and technologies, including storage and application networking, data center switching, high-performance computing, and WAN optimization. Under his leadership the data center solutions segment has grown from a nascent business to a multi-billion-dollar global concern.
