

**Giovanni Colella, MD,
President and Chief Executive Officer
RelayHealth**

Giovanni Colella, MD, President and Chief Executive Officer, founded the healthcare practice for Sapien, a leading publicly traded Internet consulting firm, and spearheaded the company's European expansion.

Previously, he was a partner at SAI, a healthcare advisory firm in New York, which was sold to Perot Systems in 1997. Prior to SAI, Dr. Colella was a consultant with The Boston Consulting Group.

Dr. Colella was an Assistant Clinical Professor of Psychiatry at Columbia University and practiced psychiatry for 10 years. He is a diplomat of the American Board of Psychiatry.

He graduated valedictorian from the Università Degli Studi di Milano in Italy, and earned his MBA from Columbia Business School where he was a Popper Scholar.
